Beach Day 2022

Last Friday our entire school took the bus to Tahunanui for a whanāu day at the Beach. What an awesome day we had exploring, building sand structures, collecting treasures, playing in the park, beach games, enjoying our lunch in the outdoors and collecting rubbish. Thank you so much to our whanāu who came along to join in the fun.

Principal's Pen

Tena koutou katoa,

School has been a hive of activity over the past two weeks with Beach Day and our Whanau Korero. Our tamariki have been busily writing about their adventures at Tahunanui Beach last week and we will display their work in our reception area for all to see. They all had a brilliant day and was a good time to relax and just enjoy being out on our amazing beach.

It was really great for whanau, tamariki and kaiako (teachers) to connect to plan for our akonga (learners) success. Zoom options were taken up by some which were really successful as were the face to face (kanohi te kanohi) discussions. Teachers will be in contact with whanau who were unable to make either of these options, as your child's achievement, success and life at school is our number one priority.

From April 4 at 11.59pm the mandates for vaccines in the education sector will be removed. For us at our school this means that we will be able to hold our assemblies in the hall and our whanau will be able to join us and be able to come into the school playground properly, regardless of vaccine status.

You are encouraged to return to join us for class trips and school events. We will be returning to the city library and this will be the start of venturing back out into the world. Our health and safety protocols will remain in place and mask wearing will continue and be encouraged when you visit anywhere in school.

Our first assembly when everyone can be there will be next Friday 8th April at 9.10am and we look forward to having you all back with us for these special times.

We will continue to release our tamariki at the end of school day starting at 2.45pm as this makes pick up easier for our whanau. Congestion at the school gate is eased and this way of ending our school day is positive and working well.

Currently we are still navigating the effects of covid in our school community. The number of cases are extremely low and most of our tamariki are back in school learning and school is functioning well with life continuing on. School is as safe as we can make it and the day contains many outdoor activities to minimise inside times. Classrooms are well ventilated and children who are in good health are attending school. It is essential that children are at school to continue learning and enjoying school activities as they should be, and only absent when they are too unwell to attend. Please continue to inform us if your child is absent and whether it is for covid reasons or other. School is required to send our covid related absences to the Ministry of Education.

We are hoping that with the school holidays, children will refresh and revive and with the new school term we will all be back and ready to get on with our mahi for Term 2.

Thank you all for your ongoing support for our school and the activities we undertake. This term has tested everyone but we've been resilient and continued on our journey, even if there have been a few detours along the way!

Kia kaha,

Sonya

Beach Day

My school went to the beach, some classes went on one bus and the others went on another one. When we got there we all had morning tea.

When everyone finished our morning tea we got to play on the beach. I made a town with Milliana. A teacher took a photo then we made a fish. Mrs Dufeu took another photo of that one.

I got bored so I wandered around and then I saw a big mermaid so I decided to help. Then it was time for lunch.

We got to play again after a while. Milliana and I were getting thirsty so we asked Mrs Dufeu to get water. When we were heading back. Leonel got hurt.

Then we had to go back on the bus to go to school.

Beach Day writing by Nile Tah

Beach Day

We and the class had a beach day on Friday and we got on a bus at 9:30am. When we got to the beach we put our bags on the mat.

We ate our morning tea. When we finished we started to head to the beach. Me, Annie, Mika checked some shells and started to build sandcastles. It was fun.

Then we had a lunch break and had meat and salad. The snack was cookies.

We had one hour left and I got to spend that time helping Nick and the others with the castle until we had to go to the bus.

When we arrived at school we watched Madagascar and then went home to tell our parents.

By Nivea

Beach Day

Friday 25 March, the whole of APS school went to Tahunanui beach to have a really fun day and to play nonstop.

At 9:30 we left and went in a bus to carry the students.

When we got there we ate morning tea. The teachers also told the school the rules.

I went for a walk with the teacher. I also rescued a starfish. I helped Poppy & Shaylah with a giant mushroom. I helped Zander, Nick, Kyle, Neve Shayna with a giant sandcastle.

By Delia

Things to Remember

Assemblies are on Mondays & Fridays at 9.10am in the hall.

your clocks back 1 hour

PB4L Focus - Friendship

What does friendship look like at APS?

Trafalgar: sharing and caring, being nice to your friends, kind hands, if someone is sad you can hug them, helping each other, saying sorry,

St Vincent Tahī: Asking if people are okay. Asking people to be your friend. Playing with people on the Buddy Bench. Letting people play with you. Help people who are hurt. Get help if people can't get help themselves. Smiling. Laughing. Sharing and caring.

St Vincent Rua: That you never give up on each other, you always help, we share our stuff, they let me play (include), they are kind & friends always share.

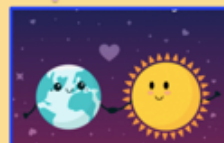

Nile Tahī: Family and friends who play together and be kind to one another. Having lots of fun and laughing. Friends make life complete. Friendship can last forever and is a bond. It gives you a full heart.

Nile Rua: Checking up on each other. A nice bond, always stay together. Lots of laughter and not getting upset with each other. Secret handshake.

Forever looking out for each other
Really listening when I have a problem
Include me in their games
Enjoy fun times together
Never stop caring and sharing
Depend on each other
Sharing their toys, ideas or thoughts

Anything is possible when you have the right people there to support you.

Good friends are like stars. You don't always see them, but you know they're always there.

MESSAGE FROM THE BOARD CHAIR

WE NEED YOU!

2022 is an election year for the School Board of Trustees. In September an election will be held and we invite interest from our community.

School board members take on the role of ensuring all students receive the best possible education and provide the management of the school guidance and support through governance. For community members unsure of their skills and ability there is plentiful support and training.

A school board:

- is accountable for student achievement
- sets the vision for the school or kura
- ensures the school or kura complies with legal and policy requirements

If you are interested in finding out more about what a role on the board entails please get in touch via email or through the school office.

Nga Mihi Nui,

Amie-Jo Traves

Presiding Member, Auckland Point School, Board of Trustees

School Holiday Programmes available within the community

The team here at The Suter Art Gallery are delighted to announce we are running a series of School Holiday Art Programmes for children in April – we would love if you could include in your next newsletter!

We have four different workshops to choose from, each inspired by The Suter's art exhibitions!

Date	Time	Programme	Description
Tuesday 19 April	9am-12pm	Create Crazy Collages	Use a variety of techniques to create your own arty papers to collage an imaginary world
Wednesday 20 April	9am-12pm	Explore Printmaking	Use Māori designs and printmaking techniques to make traditional Māori patterns
Tuesday 26 April	9am-12pm	Delve into Dioramas	Create your own miniature 3-D world
Wednesday 27 April	9am-12pm	Mixed Media Masterpieces	Explore blending, layering and other techniques using pencils, pastels and paints

All workshops: 9am - 12pm

Cost: \$35.00 per class (price includes all materials)

Age: 7-12 years

What to bring: Morning tea and a drink bottle, comfortable closed-toe shoes and clothes that can get dirty! Maximum 12 students per class

How to book:

Call 03 5484699 or email info@thesuter.org.nz to reserve your space.

You can find more information on our website – [here](https://www.thesuter.org.nz).

Please note:

Class fees must be paid to secure a place for the term. Classes will not run unless a minimum number of enrolments is met. As a multi-purpose facility, all visitors to The Suter Art Gallery Te Araiā o Whakatō need to be fully vaccinated and show their My Vaccine Pass unless they are under 12 years and 3 months old. As per Ministry of Education guidelines, face masks are also mandatory for all students in Year 4 and above, regardless of age, whilst attending our education classes.
