Class Trips to the Museum Cawthron Adaption

On Tuesday all our classes were fortunate to have participated in the exhibition of '100 years of Cawthron Institute' at the Nelson Museum. It was really interesting to learn about the story of a special white dolphin named Te Hora who lead the waka to Canvastown. We also learnt about science involved in algae growth, mussels and cultivation of salmon.

OUR SCIENCE
OUR FUTURE
100
YEARS OF CAWTHRON

For 100 years Cawthron Institute has been finding solutions to problems of the day. From looking after our soils to looking after our waters. Discover the science, ideas and innovations that are helping our region, our country, and the world.

Principals' Pen

Tena koutou katoa, Namaste, Talofa lava, Malo e lelei, Kia orana, Bula, Guten tag, Hallö, Bonjour,

We had a very successful 'Big Ideas Night' yesterday. Thank you to those who attended and to those who've fed back via the booklet sent home. We had really good korero and ideas about our 'Graduate Profile- He Korero Paetahi'. There was much discussion around the tables last night about the purpose and therefore what we would want for our tamariki to know, understand, do and be throughout their education journey at our school. The next steps are to collect our akonga voice and share this aspirational document with them. This is all about them, their life and success at school so it is important that they contribute their aspirations to it. After that we will edit the document according to all this additional information gathered and then ask our iwi to have a korero about it. Once the final document is complete we will share it with you.

The end of term has arrived very quickly after a term of two halves. School onsite and Lockdown learning at home! I have appreciated the staff and their support of our tamariki through this term in both situations with their ability to quickly get work out to your children and to ensure that you were all being communicated with and had support from school. These things certainly test us but I feel proud of our team and what we achieve so that our tamariki and whanau have the right learning and support at times such as Lockdown at home.

Let's hope Term 4 will be more settled and the we can achieve all we plan to.

Years 5 and 6 will be on camp the first 4 days of next term and we are wishing for sunshine and warm temperatures while we are there. I will be going to camp too and I am very much looking forward to sharing in the adventures planned.

Thank you for your flexibility and willingness in support of your children and school throughout this term. I hope that you will be able to have some downtime with your whanau over this term break; enjoy the spring weather and some time outdoors.

See you back for the start of Term 4 on Monday 18th October.

Ngā mihi nui,

Sonya

Goodbye & Good Luck

We said goodbye and good luck to St V Tahī's student teacher at assembly last Friday. Nathan Milburn was in Stv1 for 4 weeks then lockdown struck. He has just got his first job starting January 2022 at Springston School in Christchurch. Congratulations Nathan!

PB4L Focus

The
Leading Light Focus is:

Resilience

What is Resilience?

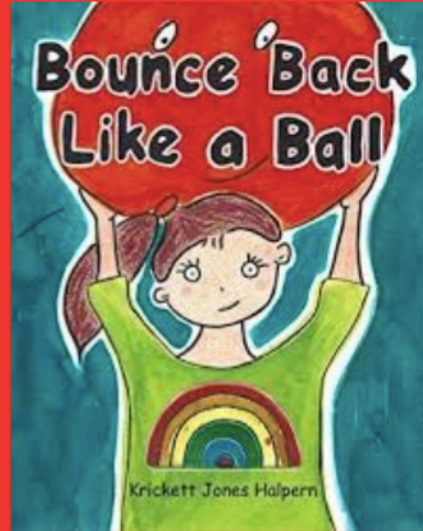

1. The ability to bounce back from disappointment
2. Never give up when things get hard.
3. Always try your best no matter what.
4. Push yourself to reach your goals.

Resilience is...
the ability to resist or bounce back
from adversity and not break ~”
Prof. Tanya Byron

Tennis Lessons at APS

This week all classes have participated in three tennis coaching sessions delivered by Tennis Nelson. We learned new skills and practised them on the court getting better each day! It's looking like we may have some tennis stars in the making amongst us. Wimbledon here we come! School was able to fund this through the School Donations Scheme.

Daffodil / Pyjama Day at APS

We celebrated a combination of events today with it being the last day of Term 3 so what better day to come to school in your best pyjamas and use as a belated fundraiser for daffodil day, as it was previously postponed due to lockdown. We saw some fabulous pyjamas, wore our daffodil flowers and tattoos and enjoyed the fun of the last day of term. We also managed to raise just over \$100 for the Cancer Society.

Thank you everyone for your support! We had the best day!

BE YOU. BE GREAT. AWARDS
Term 3 Week 9

Trafalgar Room

Mele Manuo'uhia: For showing kindness to our new students in Trafalgar. Ka rawe Mele.

Mila Maas-Lane: For showing responsibility in caring for her equipment in class. Koia kei a koe Mila!
