ANZAC Biscuits @ ANZAC Park

Nile Tahi

Our class went on a walk to ANZAC Park to look at the war memorial there. On the way we went over to the Maitai River to have a look at the Taurapa that our creative Maia Hegglun sculpted. We loved looking at it close up and spotting all the features that we learned about last year. At ANZAC Park we looked at the names on the memorial and some of them were familiar. They may have been some of our ancestors. These are names of local people who fought at Gallipoli and in the First World War. These people fought for freedom and lost their lives. We ate ANZAC biscuits and thought about what they did for us. The soldiers in the trenches were sent these because they lasted and didn't go off. Sometimes they crumbled them up and mixed them with water to make a porridge. Mrs Dufeu taught us that ANZAC stands for Australia New Zealand Army Corps and we celebrate ANZAC Day on 25th April every year to commemorate the soldiers who fought and lost their lives in the battle at Gallipoli.

Principal's Pen

Tena koutou katoa,

We are at the end of what has been a term of two halves- covid and non covid! I feel proud of our school community. You have all navigated your way through this time so well as we have continued to keep our school life operating as 'business as usual'. Our tamariki have thrived and we have enjoyed reading the 'Beach Day' stories our akonga have written. We can see much progress in how children are expressing their ideas, constructing their writing and the use of a wider range of vocabulary. All of these elements of writing have been a student achievement goal for us and the consistent focus is evident in the results we are seeing. It is exciting to see this happening.

This term we have started out on a two year programme with Sport Tasman called 'Healthy Active Schools'. This programme will help us refresh our PE and Health programme. We will be rewriting our school based curriculum in these areas while building fundamental skills for our tamariki and kaiako. This is exciting and we will be coming to you to seek your ideas and knowledge about what you wish for your tamariki to be learning in physical education and in the health programme at our school. Get your thinking caps on and be ready to contribute.

With School Trustee elections on the horizon in Term 3, the school is seeking nominations from our school community for 5 elected parent positions on our school board. This is a role that involves governance and working with me as the principal to set the strategic direction of the school. This is an exciting role and gives people the opportunity to be part of the future of our school.

Thank you all for your support, messages of encouragement and appreciation throughout this term. These are all very much valued by the staff and I. I wish you a happy Easter and time to reconnect with whanau. Enjoy a break from the rigours of the school run!
See you back on Monday May 2nd.

Kia kaha,
Sonya

Covid 19 Update- Traffic Light Change

Yesterday afternoon we heard that the Aotearoa will shift from Red to Orange on the Covid Protection Framework.

Officially, this allows for changes to our school settings. However as the holidays begin today, and being unable to predict what the holidays will bring to the Covid situation in our community, we will maintain current settings until the end of Week 1, Term 4.

This means that:

- Masks will continue to be worn by all staff and children Year 4 and up when inside.
- Parents are still asked to drop off/pick up as we have been doing (unless by prior arrangement).
- Hygiene protocols remain the same

This will also give us a chance to review our Covid Safety Management Plan. We will notify you in the first week of next term, our protocols for under the orange setting. To help me understand how covid is affecting our families please could you message Sonya Hockley should you have a case of covid in your household over the holiday break? M: 027 362 4496

E: principal@aps.school.nz

Thank you for your ongoing support and co-operation.

- Show they are caring for our school environment
- Showing empathy to others

MESSAGE FROM THE BOARD CHAIR

WE NEED YOU!

2022 is an election year for the School Board of Trustees. In September an election will be held and we invite interest from our community.

School board members take on the role of ensuring all students receive the best possible education and provide the management of the school guidance and support through governance. For community members unsure of their skills and ability there is plentiful support and training.

A school board:

- is accountable for student achievement
- sets the vision for the school or kura
- ensures the school or kura complies with legal and policy requirements

If you are interested in finding out more about what a role on the board entails please get in touch via email or through the school office.

Ngā mihi nui,

Amie-Jo Trayes

Presiding Member, Auckland Point School, Board of Trustees

School Holiday Programmes available within the community

The team here at The Suter Art Gallery are delighted to announce we are running a series of School Holiday Art Programmes for children in April – we would love if you could include in your next newsletter!

We have four different workshops to choose from, each inspired by The Suter's art exhibitions!

Date	Time	Programme	Description
Tuesday 19 April	9am-12pm	Create Crazy Collages	Use a variety of techniques to create your own arty papers to collage an imaginary world
Wednesday 20 April	9am-12pm	Explore Printmaking	Use Māori designs and printmaking techniques to make traditional Māori patterns
Tuesday 26 April	9am-12pm	Delve into Dioramas	Create your own miniature 3-D world
Wednesday 27 April	9am-12pm	Mixed Media Masterpieces	Explore blending, layering and other techniques using pencils, pastels and paints

All workshops: 9am - 12pm

Cost: \$35.00 per class (price includes all materials)

Age: 7-12 years

What to bring: Morning tea and a drink bottle, comfortable closed-toe shoes and clothes that can get dirty!
Maximum 12 students per class

How to book:

Call 03 5484699 or email info@thesuter.org.nz to reserve your space.

You can find more information on our website – [here](https://www.thesuter.org.nz).

Please note:

Class fees must be paid to secure a place for the term. Classes will not run unless a minimum number of enrolments is met. As a multi-purpose facility, all visitors to The Suter Art Gallery Te Aratoi o Whakato need to be fully vaccinated and show their My Vaccine Pass unless they are under 12 years and 3 months old.

As per Ministry of Education guidelines, face masks are also mandatory for all students in Year 4 and above, regardless of age, whilst attending our education classes.
