'Pink Shirt Day'

We had a colourful day to show our support of building a 'bully free' culture at school, in our daily lives and in our country.

To do this we need to continually grow our understanding of what this looks like, sounds like and feels like.

We are a 'Positive Behaviour for Learning School', and 'The APS Way' is the guiding rule that we live by in our kura.

- Achieve - Kia tutuki
- Participate - Kia whai wahi
- Show Respect - Kia whakaute
- Every one, everywhere, every day!

Owning our own behaviour; acknowledging when we mess up and then putting things right; doing the right thing even when no one is watching. All of these things are part of being the best citizen at APS and everywhere we go. Every member of our school community is expected to behave with kindness and consideration for each other; accept our diversity and embrace our individuality.

Dealing with and not tolerating bullying behaviour has clear processes at our school and is not accepted. Through our PB4L learning we continue to discuss positive behaviours and the impact our behaviour has on each other, both negative and positive.

Principal's Pen

Tēna koutou katoa,

This is a large newsletter this week with news about all we have been doing in the past four weeks, along with the things to come.

For Matariki we are holding a Matariki Whanau Day this Thursday 23rd June. You are invited to come and spend the day with your children, share lunch with them and come to assembly at **2.00pm**. We will have a special Matariki Assembly when children will share their learning about Matariki, we will sing and celebrate this very special time in our year.

It is mid year already and this is the time in our assessment schedule when teachers are looking closely at our ākonga achievement and progress. They are working intently on writing the mid-year reports and these will go home on the last day of term.

Next week, please look out for a letter that will give you information about the Board of Trustees Elections and asks for nominations for positions on our school Board of Trustees. We are seeking to fill five elected parent positions. Election date is Wednesday 7 September this year.

Have the best week and we look forward to seeing you on our Matariki Whanau Day.

Ngā mihi nui,

Sonya

Te Whare Tapa Wha The 4 Dimensions of Well Being

Sir Mason Durie (Rangitane, Ngāti Kauwhata, Ngāti Raukawa)

Te Whare Tapa Wha The 4 Dimensions of Well Being

Te Whare Tapa Whā was developed by leading Māori health advocate Sir Mason Durie in 1984. The model describes health and wellbeing as a whareniui/meeting house with four walls.

These walls represent taha wairua/spiritual wellbeing, taha hinengaro/mental and emotional wellbeing, taha tinana/physical wellbeing and taha whānau/family and social wellbeing. Our connection with the whenua/land forms the foundation.

When all these things are in balance, we thrive. When one or more of these is out of balance our wellbeing is impacted.

Te Whare Tapa Wha The 4 Dimensions of Well Being

This week we shall look at the foundation and the first two of Dr Durie's 4 dimensions of well being.

Whenua Land-Roots

Whenua

Whenua is our connection to the land. It's soil, plants, animals and people – tangata whenua. It's the earth through which you are connected to your tūpuna/ancestors. Whenua is a place of belonging, and it's comforting that it is never too far away.

Our Leading Light will:

- Be able to describe their whenua - place of belonging
- Be able to describe ways people can nourish and strengthen their tinana - body
- Be able to describe things people do to stay spiritually healthy - to keep their wairua spirit strong

Akomanga Classroom

Where is your 'home' - your special piece of whenua land?

Can you draw yourself on your special whenua land ...

Can you draw around you the plants, animals and people who connect you to your whenua land...

Tapa Tahī Physical Health

Tahī

Taha tinana (physical health)

It's about how your body grows, feels and moves and how you care for it. Nourishing and strengthening your physical wellbeing helps you to cope with the ups and downs of life. Feeling physically well helps you feel mentally well.

Akomanga Classroom

What are some different ways we can nourish our tinana body?

What are some different ways we can strengthen our tinana body?

Can you make a poster to show others how to nourish or strengthen their tinana body...

Tapa Rua Spiritual Health

Rua

Taha wairua (spiritual health)

Your spiritual essence is your life force – your mauri. This is who and what you are, where you have come from and where you are going. For some, wairua is the capacity for faith or religious beliefs or having a belief in a higher power. For others, wairua is an internal connection to the universe or the sacred.

Akomanga Classroom

How do you keep your spirit healthy?

Does your whanau go to a marae, a church, a temple, a shrine, a mosque, a synagogue?

Does your whanau walk along the beach, walk in the native bush, walk up a mountain?

Do you listen to music? Play music? Sing? Dance? Meditate? Pray? Read?

Matariki and Whanau Day at APS

This year we are combining our Matariki celebrations with Whanau Day at APS. We invite our whanau to come along next Thursday, 23 June from 9.00am -3.00pm. We will have a rotation of activities, lunch together and assembly at 2.00pm. Come and share in this with us.

What's happening in Trafalgar?

We are a busy and dynamic class and our learning is exciting and varied every day! As well as doing all the usual things like reading writing and maths we explore, sing and dance, investigate and create. We have weekly visits from Auckland Point Kindergarten and Buddy time with Nile Rua.

As our class grows we embrace our new classmates and help them to be happy in our great classroom space. Whaea Ash is our teacher and she makes our learning fun. Perry, Celia and Georgina, our Learning Support Assistants are our other 'teachers' and they all help us at different times of the day. We love having them in our room too.

Support Staff Week

Last week was a special week to acknowledge and celebrate the work that our Support Staff do in our school. Georgina, Celia and Perry are our Learning Support Assistants, Sarah is our Caretaker, Deborah is our Administrator and Craig (Mr Hockley) runs our Breakfast Club.

Every day all of these people work hard to ensure that our tamaki have the optimum conditions in which to learn and thrive. This year Georgina is celebrating 20 years of service at our school. That is significant and we give our grateful thanks and appreciation for the love and care she has dedicated to many students and staff, past and present. Congratulations Georgina!

We are really lucky to have this great team of people.
