Baseball at APS

We had the pleasure of having Cooper Grant at APS to teach a session of baseball skills to each of our classes. It was like a professional coaching session and we were working hard. Cooper plays for the Auckland Tuataras and will be heading to Arizona soon to play for Cochise College and study there. Thank you and kia kaha Cooper. Here is a link to a recent Nelson weekly article about Cooper. We all thought he was a very cool dude!

WINZ ASSISTANCE WHERE APPLICABLE

Principal's Pen

Tena koutou katoa,

Greetings to you all. It has been an interesting few weeks as we navigated our way through omicron. It is so good to see our tamariki returning to school and I enjoy catching up with our whanau as you drop off and collect your tamariki. School is a great place to be and we are as safe as we can make it, knowing that covid is all around us and we could catch covid anywhere. Our tamariki are making the most of every day and we are continuing on with our curriculum as best as we can despite somicron.

Next week we wish to have our 'Whanāu Korero', (3-Way -Conferences), so that we can connect with you to set goals for learning and behaviour. This is a special time of sharing and learning about the aspirations we all have for our ākonga(learners).

If you would rather an online discussion with your child's teacher we are offering a ZOOM option. Please complete the slip of the letter that came home last Friday and return it to school by Friday 25th March so we can send you a zoom invite.

You may wish to let Deborah know directly by phone or email to the school office if this is easier. We are looking forward to seeing you personally in school or online for these. Because these times are out of class times no matter what your vaccination status is, we encourage you to come and participate. Teachers will wear masks for face to face korero and we ask that you do too.

All through this week we will have our fingers and toes crossed for a really fine and dry day on Friday for our Beach Day. You are encouraged to come and join in. As we are outside and this is a whanau occasion we don't need to worry about vaccination status. This is a wonderful day of exploration, creation and just plain fun! School lunches will be provided but you may wish to pack extra food as this will be a very busy day. We will be picnicking and children will graze throughout the day. Lots of kai and a filled water bottle will be great! Please return your permission slips asap.

School is humming and we are focussed on learning both inside and outside of the classroom. We are so grateful to you for your continued communication when covid arrives at your home ,as this helps us understand what is happening for you. We are here to help and support should you need it.

Kia kaha, Kia maia, Kia wananui,

Sonya

PB4L Focus

Self Management

Trafalgar: Showing 5 on the mat, Keep our hands and feet on our own body in the playground. Being happy and kind to our friends - being in the green zone!

STV Tahī: Keeping our hands and feet to ourselves. Fold your arms and legs. Listen. Zip your lips! Do the right thing even when noone is watching!

STV Rua: Showing kindness, listening, looking out for yourself and others, doing the right thing.

At our kura what can we do to be self managing students?

STOP! THINK! CHOOSE!

- Breathing - 5 star breathing
- Take a walk
- Pick up rubbish
- Grab a drink
- Taking 5 to yourself
- Talk to your friends

To be self managing we still have to be able to know how we are feeling so that we can manage our whole selves.

**Stop!
Think!
Choose!**

Self Management Man

I can organise equipment and resources.

I can try different ways to solve problems.

I try to work things out on my own and don't give up.

I can think carefully about how to improve my work.

I can manage risks and make sure things are safe before I do them.

I think things through and plan them out.

Are you a good self manager?

Reading to Dogs Programme at APS

We are continuing our 'Reading to Dogs' Programme every Thursday morning with Liz Ray and her 3 beautiful dogs in 2022.

Our tamariki absolutely adore Poppy, Ruby and Molly. This is such a worthwhile programme as this adds a little extra care and joy for our tamariki while enhancing their reading skills.
