## Science Day

On Monday, 'The Science Alive' Roadshow came to APS. There were lots of really cool exhibits, fun facts to learn and investigations to explore. Some of our senior tamariki were 'Explainers' and we had to share our knowledge and explain to visiting school children what each investigation was all about and how to use the equipment. We were so lucky to have it here as the truck driver had to do lots of expert driving to back up into our playground! What a great day of science we had.

## Principal's Pen

Tenā koutou katoa,

The end of term is very close and we are packing in a lot of learning right up until school closes for Term 3, at 3.00pm on the 30th September. This week has been all about 'Science'.

We had the 'Science Alive' Roadshow at school on Monday with some amazing science investigations for our Nile students. Other Nelson schools were able to experience this too.

Some of our Year 6 tamariki were hosts and guided visitors around the investigations and were proud to do this. They showed leadership and responsibility.

Our Nile Classes have been working very hard on research and investigations into endangered species and have created very interesting boards that have their research findings presented in very eye-catching and unique ways. This work has been the Inquiry topic for this term and the engagement and learning taking place has been exciting and inspirational. They have set up a 'Science Fair' in the hall and all of our students will see the exhibition today along with the Nile classes whanau. This is the first time we have done this type of fair and this is the starting place.

We have a new app that we are excited about and will be the main communication tool for school messaging. Seesaw will still operate for class learning but all messages that go out to you for the myself or the school office will come out to you via 'Schoolstream'. There is further information about it in this newsletter. We are aiming for our whole school community to upload the app and have it ready to receive all communication from us. This will go live next week.

I wish you all a slower pace of life during the two week break from school. If you are working I hope you are able to take some time off to have some fun with your children. May the weather be warmer and drier to enable us all to get out and explore the great outdoors around us.

Remember we will be closed on Monday 26th September for the national holiday in remembrance of Queen Elizabeth II. Enjoy this long weekend.

Ngā mihi nui,

*Sonya*

## Nile Science Exhibition

Thank you to those parents/caregivers who came along to our exhibition today hosted by our Nile students. The tamariki have been working so hard on their science projects for the past few weeks. Whaea Jo and Miss Harris are very impressed with their work.

## Things to Remember

Assemblies are on Mondays & Fridays at 9.15am in the hall.

School phone/absence line: 03 548 7970 / text mobile 027 548 7970

## Fundraising for Nile Camp

Thursday evening Quiz Nights at the Sprig n Fern in Tahunanui have been working really well in enabling us to raise additional funds for our Senior camp next Term. Many thanks to Karl & Robert for their outstanding efforts in making this happen each week and gathering the many sponsors for prizes. We have had some really amazing support from the community.

Final week of quiz next Thursday, 29 September 2022 at 7.00pm. Come along and join if you can.

We really appreciate the community support from the following:-

*The Veggie Guy - Karl Hadfield*

# PB4L FOCUS

## Our Focus for Weeks 9 & 10

# Resolving Conflict

### What is conflict?

#### Big Problem

#### Small Problem

- \*Someone is hurting me
- \*Someone is seriously injured
- \*Someone is using inappropriate language

- \*Someone is annoying me
- \*Someone is chasing me
- \*Someone is not playing with me
- \*Someone has a paper cut

★ Tamarik

#### How Big is My Problem?

## Resolving Conflicts

### Leading Light this week will:

- ★ Use strategies to help solve conflict
- ★ Be respectful of others when solving conflict
- ★ Use nice words to resolve conflict
- ★ Pause & breathe

### How can we resolve..

#### Big Problems?

- \*Find a duty teacher
- \*Use your WITS

#### Small Problems?

- \*Ask them to stop
- \*Use your WITS
- \*Listen to what others have to say
- \*Help each other

★ Kaiako

#### How Big is My Problem?

# Winter Sports Tournament

Last Tuesday, our Nile classes participated in the Winter Sports day at Saxton Field where we played different sports against other Nelson Primary Schools.

We had APS teams competing in volleyball, netball & soccer. Other sports played at the tournament were hockey, miniball, table tennis & rippa rugby. It was a fun day out for all. Thanks again to our parent helpers for their support.

## Winter Sports

By Jimmy Johnson

We got there on a bus me and both Niles went to Saxton Fields to play something called Winter Sports where there's a variety of sports to play like soccer, volleyball, netball. Other schools played more sports like hockey, basketball, Rippa rugby, but some of us like Bo, Tahla, Halo, Mia, Amelia, Josh, Addison, Awhi and I played netball.

There was 7 rounds of netball and about 14 breaks. It was awesome as we got fair matches and got a few wins and I got to be defense, attack and center, but my favorite was attack and center. I hated being defense, but Auckland Point people were fabulous at all the sports. We played about 6 schools. Which was really fun.

On all of the breaks we got candy and everyone went mayhem, but some people just ate their own lunches. Most of the people ate the candy like me and I was sugar high in Mentos. It was so much fun. I thought and said to myself "I think candy helps me with sport". I was correct, it did, but not too much candy because I get sick sometimes so I had a little bit for morning tea.

After morning tea we played a few rounds until lunch, and lunch came a little late, but we got some bars from Jo and they were delicious. About 10-15 minutes later lunch was there, but I didn't have lunch because it was too late. We played and played till we were done. There were about 10 umpires there and alot of schools. We were really good at netball and so was everyone else that we versed. They were really good as well.

When we were done we took the leftovers of the lunches and went on the bus back to school. When we got back to school we went into class and read a book for 5 minutes and when we were reading we also finished the school lunches. We had pizza. It was really good and then we went home.

## Introducing our new 'Schoolstream' App for APS Whanau

By the end of next week we will have our new schoolstream app up and running for Term 4. To use this app each parent/caregiver will set up their own individual login enabling you to:-

**view all notices / newsletters / communications**

**record trip permissions**

**report an absence**

**update records**

**order uniforms**

Further instructions on how to be set up on schoolstream will be sent out individually to our whanau next week.

**BE YOU. BE GREAT! AWARDS**  
**Term 3, Week 8**

**Trafalgar Room**

**Te Waka Hemi:** For participating in class activities and trying hard to use your words.
