### APS Athletics 2022

Last Tuesday we were so lucky to have blue skies enabling us to run our whole school Athletics Day. We are so proud of all our tamariki who competed in all events and gave it their best. Thank you so much to our parents/caregivers and whanau who came along to support us and cheer us on. We had a brilliant day with a ton of fun mixed in success!

## Principal's Pen

Tēnā koutou katoa,

Week 7 has arrived and with it sunshine which is a big relief as our year 5 and 6 tamariki head to Marahau for four days of outdoor adventures. The week will give our tamariki the time of their lives, new experiences and the biggest sleep-over ever! Miss Harris, Whaea Jo and myself are all attending camp and we are looking forward to great adventures with everyone. Keep an eye on our 'Facebook' page for pictures of what we have done each day.

The year 4's in Nile Tahi will have familiar teachers teaching them in Whaea Jo's absence. and have a great week planned for them.

Have a happy week.

Nga mihi nui,

Sonya

# PB4L FOCUS Weeks 5 & 6

Stop and think....

- How am I feeling?
- What zone am I in?
- What can I do to change my zone?

## Zones of Regulation

It's all about being able to name our emotions - how we're feeling!

### Leading Light this week will:

- ★ Be able to identify what zone they are in.
- ★ Use different strategies to manage the zone they are in (for example - move from blue to green)
- ★ Help others identify their zone and give strategies to help them.

### Athletics Day

Athletics day is a time to play sports with the whole school involved. We make sure to all participate when doing so. APS does activities at different times. The school does

- Sprints
- Shot Put
- Long Jump
- Discus
- High Jump

These are not in order since it is randomized for each class. Students take multiple turns for a second chance to get - 1st, 2nd and 3rd.

If you do not place, you can receive a "I tried my best" award.

High jump is most competitive as if you only want to take one jump that's okay as long as you did it at least once.

- Addition

### Athletics Day

Have you done athletics? Well, if you love, you'll love it! Well if you don't I will just explain it to you. It's kind of like the Olympic but a lot less competitive and the medals are useless. So, I did my athletics yesterday and it was okay. Athletics consists of the long jump, high jump, sprints, discus and shot put. First, we did the long jump. That's my favorite. Then we did discus. That was okay I guess and then it was the worst: sprints (no offence to the ones who were sprinted). Then we did the high jump. I was terrible of course, but then you'll never guess what we did next: shot put! I was good at that.

Once Donees

### Athletics Day

On athletics day we did the long jump first. I am a year 5 so I went with the year 5s. I jumped and got third. Next was discus. I got fourth. Then we did the high jump and I got first. Next, we did the sprints. I ran so fast that I got first. The last event was the shot put and I got third place. That was athletics day. I felt happy and proud!
