## Nile Camp

Last Monday our Senior Students, Miss Harris, Mrs Hockley and an awesome team of parent helpers set off for the camp at Marahau. They had the best time with four full days of actioned packed fun.

Days were filled with Waka ama, Able Tasman and beach walks, kayaking & abseiling, exploring Ngarua Caves, great kai and lots of laughs. On their way home they finished off the week off fun with an afternoon at the aquatic centre. What an amazing week. Thank you so much to Miss Harris, Mrs Hockley and our parent helpers for making the week such a success.

## Principals' Pen

Dear Parents & Whanau,

We need your support in order to keep our children safe when at school, as we all face the current pandemic.

Many of our parents/whanau member have been asking us how we are keeping the kids safe at school. We are asking that all people entering the school follow the guidelines that have been set. **Coming to the office area only is essential**, and then following the guidelines below.

We at Auckland Point School are working hard to provide a safe environment for our children. We are also not finding the current situation easy. We are looking forward to safer times when we can go back to having our families come into school and share the assemblies and the learning.

Please help us by following the guidelines that have been set for us.

- In the morning children are to enter the playground through either of the entry gates (1. By the pedestrian crossing and 2. Near the roundabout).
- We are asking parents to drop and go in the mornings and to wait behind the pink line in the afternoons.
- If coming into school to wait behind the pink line please scan, sanitise and sign our tracing register.
- When behind the pink line social distancing is still important.
- The guidelines are that all parents/ whanau coming into the school need to wear a mask.
- **If you need to come to school either during or between the drop off and collection times it is essential that you come to the office.** Phoning ahead to the office to inform us if you are needing to come into school early will ensure that your child/ren are ready for you.
- If you need to speak with a teacher please ring the office and the teacher will get back to you.

I thank you for this in advance knowing that we all want a safe learning environment for our children.

Please contact the school if you have any concerns regarding this.

*Rachel Couling*

Deputy Principal

Be kind, caring and use your manners.

Look after your classroom environment.

Respect for our school and equipment.

APS School Uniform

Keeping things clean and tidy

Looking after property and equipment

## Trafalgar class

In Trafalgar class we have been looking at kindness and sharing using the book 'The Rainbow Fish'. We have read the book, watched the animated short film and used pictures to retell the story. Here is some of our artwork we made using crayon and collage to create our own rainbow fish art. The next thing we are going to do is create a big combined piece of wall art showing the ocean and our rainbow fish in it.  
Ka rawe Trafalgar.

## Shake Out - Get Ready NZ Earthquake Drill

On Thursday, 28 October 2021 our whole school took part in the NZ Shake Out - Get Ready Earthquake Drill. We were super proud of our Tamariki who calmly followed instruction and knew to drop cover and hold.
