## Colours Awards at APS

Throughout the year our Tamariki have been working very hard to achieve their goals in all their learning.....

Our Colours Assemblies are held regularly so that when our ākonga achieve their next award they are acknowledged as soon as possible. Ākonga are presented with a special certificate and wrist band depending on how many points they have earned through our dojo system. Teachers will present these awards to each student individually which is a special achievement.

Many of our tamariki have reached their Bronze, with others already at Silver and working towards Gold.

We are holding our next Colours Assembly next Thursday 11 August at 9.10am. Parents are encouraged to attend to share in the successes.

## Principal's Pen

Tena koutou katoa,

We have had a busy start to the term with Whānau Korero happening this week.

It has been so good to see our whānau and tamariki coming in to school to meet with their kaiako to discuss next steps and learning for Terms 3 and 4. Our kaiako have enjoyed the korero and time to share the successes so far and to plan for more. If you didn't get the chance to come this week you are still able to do this. Please contact your child's class teacher and make a time to connect.

This term our school will be undertaking a piece of work entitled Rongohia te Hau which is a framework that measures the experiences of tamariki whānau and kaimahi(staff) at our school. We would really love our whānau iwi and tamariki to be involved in this work. The first hui to introduce the process will be held at school on Tuesday 23 August, 5.30-7.30pm in the school hall. There will be an invitation sent out to you all next Monday and this with further information. Please put the date in your calendar.

Ngā mihi nui,

Sonya

**Amie-Jo Trayes**

Auckland Point School  
Board of Trustees Chair

Kia ora, I am Amie-Jo, mother of one lovely wee boy at APS and two lovely girls, one at Nelson Intermediate and one at Nayland College. I live locally and love our community.

In my out of school life (on top of being a mum) I am a business owner at Founders, along with settling into a new role at NMIT. I also support a number of charities on a fundraising level. Until recently I was involved in the classroom as a relief teacher and many moons ago taught full time. Education, children and community mean a lot to me with child centered safety, happiness and success at the forefront.

I was appointed Auckland Point School's Board Chair in February 2021. The last six years on the board have been an absolute honour. We have been privileged to be a part of the building repairs, the school roll growth and the successful implementation of the PB4L system. It blows my mind how much Sonya and her team achieve alongside the vibrant learners that make up APS.

In the next three years it would be a privilege to continue working alongside Sonya, the Board, the teachers, support team, children and their families to continue building community, coming together as one and achieving everything that each and every learner desires for themselves. I truly believe that APS can be the flagship school for some amazing things. Small with a big heart, the best keep secret in Nelson! Our kids deserve the best and I back our principal and teachers 100 percent in achieving this.

## Things to Remember

Assemblies are on Mondays & Fridays at 9.15am in the hall.

# NZEI School Board of Trustees Elections 2022

Due to the appropriate number of 5 Trustees nominated we now have the required number to make a Board of Trustees at our School. Therefore, an election is not required.

Our new 2022 Auckland Point School Board of Trustees

Amie-Jo Traves (Chair)

Micayla Lowden

Tom Ashton

Liz Clark

Brooke Langford

Sonya Hockley (Principal)

Sy Baker (Staff Representative)

My name is Sy Baker. I have been teaching at Auckland Point School for over four years and been in the teaching profession for a decade.

At Auckland Point School, I am currently teaching in the junior/middle part of the school but have also taught in the senior school in past years. Currently, I am a member of the school leadership team, I lead the school with our PB4L work, I am on NZEI union staff representative and have been the sport coordinator up until this year.

I am very interested in being a part of the school's board of trustees. I am passionate about this school and want to be more involved with the governance side of things. I already have previous experience with this, standing as the staff representative for the BOT at my previous school for two years.

I am a driven and determined person and keen to help make a difference. If you ever want to discuss anything with me I am always approachable. Thank you so much for considering me as your staff representative for the board of trustees.

### Micayla Lowden

My name is Micayla Lowden, I am currently a board member and my 9 year old son Daniel and 6 year old daughter Sophie attend APS.

APS is a unique and inspiring school with a passionate and dedicated teaching and support staff. I look forward to continuing to serve as a board member and seeing our tamariki thrive and grow in this awesome environment.

### Brooke Langford

Hey everyone I am a proud mum to three kids; Connor, Amelia and Georgia who go to Auckland Point School.

I have been on numerous committees and was Student Representative during my high school years.

Auckland Point School is enriched with incredible history and such amazing staff. Being on the board of trustees would be an honor and I would definitely bring plenty of enthusiasm.

### LIZ CLARK

Tenā koutou ka toa,

I am a current member of the Auckland Point School board seeking re-election. I was very glad to be appointed to the school's governance team earlier this year.

Over the last 20+ years I have been privileged to serve on primary and secondary school boards in the Nelson region. I bring a wealth of knowledge and experience in school governance to the board room.

If elected I will listen well to the school whanau, staff and students to ensure as a board we embrace the wonderful diversity and cultural differences we are lucky to have at APS.

Our Akonga (learners) are, and should always be, at the heart of our decision making. With the Principal and staff, the goal is to work together to enable our Tamariki to reach their full potential in a nurturing, safe and inclusive environment.

I believe that I can bring strong governance skills along with the desire that every student deserves the very best opportunities to reach their full potential.

### Tom Ashton

My daughter started at Auckland Point in 2017, and I have continued to have growing enthusiasm for the School's culture, diversity and people.

I have a science background but now work in the aviation industry. During my career I have trained people of all ages in technical subjects as well as practical skills. I have been on call to work all hours day and night in aeromedical operations. I have also run my own aviation based business.

I believe in the benefits of hard work, resilience, and responsibility. My priorities include our environment, our community, our kids.

For the future we need Auckland Point's children to enjoy the same road safety protections as other schools in Nelson. I would like to see our growing school retain its unique feel and continue to improve the opportunities available to our students.
