APS Pyjama Day

Today we celebrated the last day of term in style wearing our best pyjamas. It was the perfect rainy day to be in our winter cosy's while winding down after a busy term. We shared kai with our classmates at lunchtime. Ka rawe!

Principal's Pen

Tēna koutou katoa,

What an exciting last week of term I have had. Every day there has been a wonderful surprise, with staff, board and tamariki colluding to create these magic moments. This week NZEI Te Riu Roa, our Education Union has created 'Tu Meke Tumuaki' week to honour Principals/Tumuaki mahi and the heart they give to their vocation, their school communities and all who flourish within them.

I am privileged to do what I do and every day, alongside our dedicated staff I strive for our tamariki to ensure that they have the maximum opportunities to thrive and enjoy success at our school while setting them up for their future.

40 years in teaching has gone very fast and I have enjoyed an amazing career this far! The saying goes 'Time flies when you're having fun' and I can honestly say that this has been the case for me. I have worked in Aotearoa, New Zealand and in England throughout this time and I have been lucky to teach amazing tamariki, work with brilliant colleagues and have enjoyed the support of many school communities.

Thank you for all you do to support our school, our staff and myself as we create the best learning place for our tamariki.

As the term ends today your tamariki will have their mid year report tucked in their bag ready for you to share with them after school. I hope you enjoy reading about their successes so far this year. Next term we will have whanau korero again and this will be a time to meet to discuss the report and to set the next steps for continued progress for the year.

Next term will be a busy one with Board Elections and events that we haven't achieved this term, such as our School Cross Country. We hope that everyone will return to school healthy, revived and ready for lots more great mahi in Term 3.

Celebrating our Principal, Mrs Sonya Hockley Tu Meke Tumuaki

Mrs Hockley works so hard and gives so much extra to all of her staff, tamariki and APS whanau because she cares so much and loves what she does.
